GREAT Performance Leaders Portfolio

Portfolio Factsheet

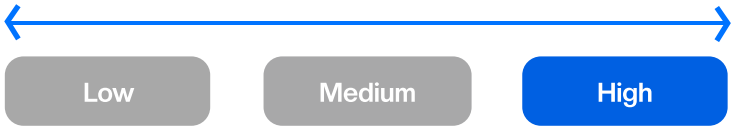

The GREAT Performance Leaders Portfolio provides passive equity exposure to a diversified set of publicly listed companies selected through a rules-based framework designed to identify and allocate capital toward performance-driven leaders across sectors. The portfolio is constructed to represent companies with strong performance characteristics while maintaining diversification across industries to support portfolio-level efficiency.
Constituent inclusion is based on predefined eligibility criteria assessing thematic relevance, liquidity profile, and contribution to portfolio-level performance, rather than traditional sector classifications or market-cap weighting. The portfolio is intended for investors seeking long-term exposure to performance-oriented equities through a transparent, systematic, and institutionally structured investment approach.
